An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In the Abstract, the text beginning with "Batteries" through the end of the Abstract has been deleted to keep the length of the Abstract at 150 words or less as required.

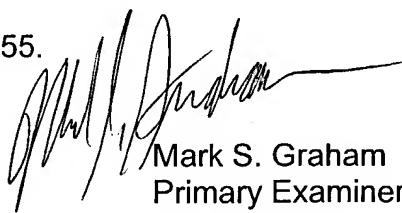

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose, or alone or in combination suggest, a method of illuminating a croquet playing surface utilizing the structure claimed in the steps claimed such that bot a focused and a diffuse cone of illumination beneath a wicket is obtained.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

This application is in condition for allowance except for the presence of claims 2-10 to an invention non-elected without traverse. Accordingly, claims 2-10 have been cancelled.

Any inquiry concerning this communication should be directed to Mark S. Graham at telephone number 703-308-1355.
